

FOR IMMEDIATE NEWS RELEASE

## TrueProject 2025 Q1 Promotion

Unlock Predictive-AI Project Insights, Big Savings, and Guaranteed Results!

**February 11, 2025** – Advanced Management Insight (AMI) is offering organizations a game-changing opportunity with the TrueProject 2025 – Q1 Limited Time Promotion. This promotion allows organizations to experience TrueProject 2025's AI-powered project intelligence risk-free while securing substantial savings on annual subscriptions.

**TrueProject 2025** is AMI's most powerful and user-friendly KPI-driven, predictive project management SaaS solution that enhances project health and performance. It provides automated oversight and governance, leveraging advanced warning systems, predictive intelligence, and AI to detect potential issues early, helping projects stay on track and within budget. TrueProject is easy to deploy, simple to use, and extremely affordable with significant ROI.

### TrueProject 2025 - Q1 Limited Time Promotion

New customers can experience AI-driven project intelligence risk-free and unlock exclusive savings with TrueProject's limited-time offer.

#### TrueProject QuickStart – Just \$10K (Normally \$15K)

- ✓ The easy, no-risk way to experience TrueProject
- ✓ Three projects, unlimited users, two months of access
- ✓ 10-day insight guarantee – If you don't see value, you pay nothing\*
- ✓ AI-driven risk alerts + expert-backed risk mitigation

---

#### Exclusive Subscription Discounts

- ✓ 30% off your first-year subscription (twenty or more active projects)
- ✓ Two free months of Virtual Project Office (VPO) consulting for expert oversight
- ✓ \$10K credit toward your subscription
- ✓ Discounts for 2nd and 3rd year subscription commitments

*We designed the TrueProject QuickStart program to give organizations a fast, low-risk way to experience the power of predictive project intelligence. With this limited-time offer, businesses not only get immediate insights but also unlock substantial savings when they commit to long-term success.*

**Tom Villani,**  
CEO of Advanced Management Insight

*TrueProject's AI-driven insights have transformed how organizations manage risk, delivering a tremendous ROI.*

**Mark Smith,**  
Partner, Chief Software Analyst, and  
Head of Software Research at ISG

This Q1 promotion makes it easier than ever for companies to evaluate, adopt, and scale a solution that can deliver measurable results.

## Limited Time Promotion - Act by March 31, 2025!
